ABILENE REGIONAL MEDICAL CENTER Announces Patient's Choice Award Winner

ABILENE, TX – May 21, 2010/ Abilene Regional Medical Center congratulates the 2010 Patient's Choice winner, Amanda Brockman. Amanda is a Licensed Vocational Nurse on the Medical Surgical floor. The Patient Choice Award recognizes the quality care, comfort, and compassion offered by the nurses at ARMC. One nurse is chosen annually, based on patient and family nominations.

While pursuing her nursing education at Cisco Junior College, Brockman began working as a Unit Secretary in October of 2007. She enjoyed her time spent on the Medical Surgical floor as a student and chose to pursue a LVN position on the Medical Surgical floor in 2008. Knowing that her work is recognized by her patients through their nominations is Amanda's greatest achievement. Amanda Brockman is the daughter Christine and Joe Bob Brockman. Abilene Regional Medical Center is extremely proud of Amanda Brockman's achievements and is pleased to have her as part of its health care team.

About Abilene Regional Medical Center

Located at 6250 Highway 83/84, Abilene Regional Medical Center (www.abileneregional.com) is a licensed as a 231-bed, full service, all-private room, hospital. ARMC has more than 44 specialty service areas, including: the only Cancer Program within a 60-mile radius of Abilene certified by the American College of Surgeons, a cardiovascular program accredited as a Chest Pain Center by the Society of Chest Pain Centers, and a completely rebuilt and technologically advanced Neonatal ICU. With more than 750 employees and 250 physicians, Abilene Regional Medical Center continues to provide quality care to Abilene and the communities and counties in central Texas.
