\*If you are uninsured, the price of \$99 includes both the hospital and radiologist fees. This price applies only to a screening mammogram for women who are asymptomatic. Payment is due at the time of service.

Is it time for you to have a mammogram? For women of average risk, the American College of Radiology recommends annual mammograms starting at age 40, with no upper age limit as long as the woman is in good health. Different guidelines apply to women at higher risk.\* A screening mammogram can help detect breast cancer in its earliest and most treatable stages.

EXTENDED HOURS UNTIL 7 P.M.  
ON OCTOBER 2 AND 16.

Call **325-428-1225** to  
schedule your mammogram.

Appointments are on a first-come, first-served basis. An order from a physician or qualified healthcare provider is not required, but the patient must provide a physician/provider name when an appointment is made. If the patient does not have a physician/provider, a list will be provided for selection. All mammogram reports will be sent to the physician/provider, and the patient is responsible for follow-up.

Check with your insurance provider to confirm coverage for a screening mammogram.
